2024 NONPROFIT GIVEAWAY

Dear Nonprofit Friend of Catering by Design,

For more than a decade, Catering by Design has proudly supported our community by hosting an annual event for a deserving local nonprofit, contributing our services to make a significant impact. This year, it is my pleasure to extend a personal invitation for your organization to apply for our Nonprofit Giveaway, valued at \$25,000.

We welcome all Colorado-based nonprofits to seize this opportunity. The award encompasses a range of our premium services, including catering, décor, and exquisite floral arrangements.

If your organization is in the midst of planning a fundraising event or gala, this is an opportunity you won't want to overlook.

Our decor department features a talented team of designers, florists, carpenters, and graphic artists who are all excited to collaborate with you. Together, we will transform your vision into reality, utilizing an expanded inventory of furniture, florals, décor, and custom graphics. Our commitment to excellence is further evidenced by our investment in a new warehouse, tripling our furniture inventory to include a wider array of fabrication, set design, bar fronts, and bespoke creations.

We encourage you to apply. As a token of our appreciation, all applicants will receive a certificate entitling them to a 15% discount on their next event, whether it be for catering or décor.

Your submission will be reviewed by a panel of esteemed local community leaders, with confidentiality maintained until the announcement at our annual luncheon on May 15, 2024. Enclosed, you will find detailed information and key dates. We eagerly anticipate your proposal and wish you the best of luck.

WHO WILL BE CHOSEN

A panel of community leaders, clients and past beneficiaries will once again select this year's recipient. The judges will look for a deserving nonprofit organization that supports innovative philanthropy, raises public awareness, increases the charitable giving in Colorado, and one who can demonstrate how this giveaway could positively impact their organization. A full list of our selection committee will be made public once the selection process has concluded and a recipient has been awarded.

WINNING EVENT CRITERIA

The \$25,000 can only be applied towards Catering by Design in-house products (i.e.: food, staff, service charges, floral and décor options). The recipient’s event must take place at one of the many venues Catering by Design is allowed to operate and our team is also happy to assist in finding the ideal venue for the occasion. If you have already contracted an event with Catering by Design that falls between the dates of July 1, 2024 and October 31, 2025, you are still eligible to apply for this giveaway. Butterfly Pavilion was honored to be chosen as the recipient of the 2022 Catering By Design's Nonprofit Giveaway. The award supported our annual gala, Butterfly Ball Colorado, and allowed us to take our event to the next level and offer our guests an exceptional dining experience. Butterfly Ball Colorado was a huge success, attracting 500 guests and becoming our most successful gala to date. We could not have achieved this important milestone without the support of Catering By Design. The entire experience of working with the CBD team was an absolute pleasure and we are so grateful for all they did to help make Butterfly Ball Colorado such a memorable event!
